Workforce Study Results Available

The Pathfinders, a Dallas firm, has completed a comprehensive workforce study for the Forney area. Major area employers as well as over 500 citizens participated in the fact-finding surveys to bring you the latest information on what the workforce of Forney, Texas can offer employers and potential employers. Forney offers over 15,400 employees, 6,400 of which desire to go to work locally; many are currently in professional and skilled jobs such as Office Operations, IT and Healthcare. The majority have attained vocational and/or college degrees.

See link below for full report.
