Improvements must be attached to the property.

Grants are awarded on a case-by-case basis only. Application is not a guarantee of award.

#### **Incentives:**

- Up to 50% for exterior improvements not to exceed \$25,000
- Up to 50% for interior improvements not to exceed \$25,000

#### **Criteria:**

- Business/building must be located in the City of Forney.
- Must be a legal business entity
- Tenant must have property owner authorization

## Incentive Application Process

1. Contact FEDC Staff to discuss the project and determine eligibility. Review attached Forney Economic Development Incentive Process.
2. Complete and submit a new vendor form to the City of Forney Purchasing Department. The completed vendor form includes a W-9 and a Conflict of Interest Questionnaire (CIQ). Send the documentation to [purchasing@forneytx.gov](mailto:purchasing@forneytx.gov) and [Forneyedc@forneytx.gov](mailto:Forneyedc@forneytx.gov). See the following link: (<https://www.forneytx.gov/FormCenter/Finance-21/Vendor-Information-Packet-201>)
3. Complete and submit a City of Forney Building Permit Application. The application is available via the City website at [www.cityofforney.org](http://www.cityofforney.org) or the City of Forney Community Development Office, 101 E. Aimee Street, Forney, Texas 75126. All proposed projects are subject to review and acceptance by the City of Forney Architectural Review Board ("ARB").
4. **For downtown projects only:** Staff for the Community Development Office will schedule the ARB meeting for consideration of the building application. Please allow 3-4 weeks to schedule the ARB meeting.
5. **For downtown projects only:** If approved at the ARB meeting, the ARB will make a recommendation to the Forney Planning and Zoning Commission ("P&Z"). The P&Z will consider the application at a future meeting. The P&Z action will be sent to the City Council during a regular Council meeting for consideration.
6. If the building permit application is approved by the City Council, complete the grant application form and sign the agreement form. Return the completed application form with all original itemized work estimates, color samples, drawings and example sign material of the proposed work to the FEDC office at 210 S. Bois D'Arc Street during business hours of 7:30 am to 5:30 pm, Monday through Thursday. Applications should include the following:
  - a. All projects must meet current building standards and codes, as well as building permit requirements.
  - b. Applications must be complete and contain all required information. Additional information requested by the FEDC Board, or City staff must provide prior to consideration of the grant. It is recommended that applicants meet with FEDC staff to ensure a complete incentive application is submitted.

- c. All construction bids submitted by an applicant must be current and must be dated no earlier than 90 days prior to the application request. Bids shall be submitted on the contractor's or project architect's letterhead and shall contain the contractor's name, address, telephone number and shall itemize the bid in a manner that allows the FEDC to determine the bid components and authenticity of the bid.
  - d. An applicant whose application has been denied by the FEDC shall not be eligible to re-submit a grant application for six months from the date the prior application was declined.
  - e. Applicants receiving approval shall commence construction described within the application within 90 days from the date the grant is awarded. All applicants must complete the construction described in the application within one year from the date the grant is approved. If the applicant is unable to commence construction within 90 days from the date the grant is approved or complete construction within one year from the date the grant is approved, the applicant may submit a written request for an extension for the commencement date or completion date provided the extension request is made prior to the 90 day or one year deadline. The FEDC shall not be obligated to allow extensions, but may do so for good cause determined solely by the entity which authorized the grant. The extensions, if granted, shall be for the term and for the conditions determined exclusively by the FEDC. A denial of an extension cannot be appealed and shall be final.
  - f. As a condition of this grant application, the applicant consents and shall allow the FEDC or other City staff to request City inspections to determine that the grant, if awarded, will not be used for construction on any building that is not in compliance with the City Municipal Codes and Ordinances that are applicable to the construction contemplated in the application.
  - g. No applicant has the proprietary right to receive grant funds. Each request will be considered on a case-by-case basis.
  - h. The applicant shall be required to furnish photographs of the building's exterior, roof and foundation after the construction is completed, as a condition of final reimbursement.
  - i. If any work is altered, left incomplete, not permitted or is used for a different purpose than originally intended by the grant, the FEDC reserves the right to request immediate reimbursement and/or file a lien on the property in the amount of funds granted.
7. **Reimbursement:** When the grant project has been fully completed and reviewed by City of Forney building standards staff or issued a Certificate of Occupancy (C.O.) by the City of Forney, the applicant shall present the FEDC with copies of all paid invoices, including copies of cancelled checks and/or credit card receipts, for a single payment reimbursement of the approved funding. In addition, the applicant must complete a City of Forney Vendor Form and a 1099 Form to receive payment from the City. Vendor and 1099 forms will be provided by the FEDC. **To ensure timely processing, applicants are highly encouraged to meet with FEDC staff prior to submitting reimbursement requests.**

I have met with Forney EDC Staff, and I have read and fully understand the Façade/Interior Incentive procedures established by the Forney Economic Development Corporation. I intend to use this grant program for the aforementioned renovation projects to advance the efforts of redevelopment and improve the attractiveness of buildings in the City of Forney. *I have not received, nor will I receive insurance monies for this project.*

I understand that if I am awarded a Façade/Interior Incentive by the FEDC, any deviation from the approved project may result in the partial or total withdrawal of the grant. If I am awarded a redevelopment grant for any work pursuant to this program, and the completed work is altered for any reason within one year from construction, I may be required to reimburse the FEDC immediately for the full amount of the grant.
